Building Community Relations and Maintaining a Healthy Enrollment

- ☑ Through the efforts and support of the PTO, identify parents who can assist with the development of a community advisory council. **Completed and meets regularly.**
- ↻ **(Initiation withdrawn)** Develop a church representative program for better outreach and communication. **Not initiated.**
- ↻ Develop a system to assist parents in representing Wesleyan in their communities and spheres of influence. **Tasked to the Community Advisory Committee and ongoing.**
- ☑ Research the family benefit and sustainability of offering bus routes in the Triad. **Lack of interest. Financially unsustainable at this time.**
- ↻ Increase the community representation on the school board. **Tasked to the school board.**
- ☑ Target more community events for opportunities in which our students may serve and perform. **Has improved substantially.**
- ↻ Promote and offer support to the development and vision of the Wesleyan Performing Arts Guild. **Addressed and ongoing.**
- ↻ Offer additional opportunities to reconnect with alumni through special events, reunions, tours, and publications, as well as to recognize their successes and involvement within the community. **Some improvement made; considering possible funding for a part-time alumni coordinator (Hiring completed in spring 2014).**
