

Dear Singers and Families,

I am so excited about our new chorus, **High Point Young Voices!**

Rehearsals will begin on Tuesday, September 9 in the Chorus Room at Wesleyan Christian Academy. Please use the Teaching Studio entrance door.

Here is a reminder of the times:

Cantate (12-18) 5:30-6:30. Singers may come into the rehearsal space and sign in/out on their own.

Lyrca (8-11) 4:30-5:15. Parents must come in with your singer and sign in and sign out when you pick up in the room.

Melodia (6-7) 4:00-4:30. Parents must come in with your singer and sign in and sign out when you pick up in the room.

Music and folders will be distributed. We will be singing!

There will be a Parent/Singer **mandatory meeting on Tuesday, September 16** for each group at the scheduled time for your singer's ensemble rehearsal.

Tuition for the year may be paid (one full or split payments) and we will discuss the rehearsal schedule and plans for the year.

It would be wonderful if we can double the size of each chorus during the month of September. September will be "BRING A FRIEND WHO LOVES TO SING AS MUCH AS YOU DO" month!

I am working on a website which will be linked to the Wesleyan Teaching Studio page as soon as I set it up.

Please spread the word about High Point Young Voices.

I have attached the brochure for you to distribute where you can. That personal contact is the most effective way to get more singers committed to joining.

Looking forward to seeing you all soon!
